# WORKSHOP ON CRYOPRESERVATION OF OVARIAN TISSUE WITH EXTENSIVE HANDS-ON TRAINING

FEBRUARY 18, 2019 | HILTON CAIRO HELIOPOLIS (EX FAIRMONT), EGYPT

## 4<sup>th</sup> UPPER EGYPT ASSISTED REPRODUCTIVE CONFERENCE

HILTON CAIRO HELIOPOLIS (EX FAIRMONT) - CAIRO, EGYPT

FEBRUARY 18-19, 2019 (WORKSHOPS) | FEBRUARY 20-22, 2019 (CONFERENCE)

STINE GRY KRISTENSEN  
DENMARK

TIME	SESSION
08:45 - 09:00 AM	Welcome
09:00 - 09:30 AM	<b>Lecture 1:</b> Establishing a centralized service for ovarian tissue cryopreservation
09:30 - 10:30 AM	<b>Lecture 2:</b> Cryopreservation of ovarian tissue - protocols and practical aspects
<b>10:30 - 11:00 AM COFFEE BREAK</b>	
11:00 - 01:00 PM	<b>Lab work:</b> Preparing bovine ovarian cortex for cryopreservation and freezing ovarian tissue pieces by controlled slow-freezing
<b>01:00 - 02:00 PM LUNCH</b>	
02:00 - 02:30 PM	<b>Lecture 3:</b> Validating the freezing protocol for ovarian tissue
02:30 - 03:00 PM	<b>Lecture 4:</b> Transplantation of frozen-thawed ovarian tissue and clinical outcomes
03:00 - 04:00 PM	<b>Lab work:</b> Thawing frozen ovarian samples and training cutting techniques for preparation of bovine ovarian cortex for freezing
<b>04:00 - 04:30 PM COFFEE BREAK</b>	
04:30 - 05:00 PM	<b>Lecture 5:</b> Ovarian tissue cryopreservation beyond – cell-based hormone replacement therapy and in vitro maturation of immature oocytes
05:00 - 05:30 PM	<b>Lecture 6:</b> Risk of malignant cell contamination and the “artificial ovary”
<b>END OF WORKSHOP</b>
